ACCORDING TO A CERTAIN SURVEY, 7% OF WOMEN ARE ROMANTICALLY ATTRACTED TO OTHER WOMEN THAT MEANS AS MANY AS 70 YURI GIRLS EXIST AT THIS SCHOOL!!
You went to a coed school before?
For the yuri!!
Your hair is so pretty
Nice to meet you.
I, Himemiya, have been waiting for this.
I'm Himemiya Aoi from Saitama Prefecture.
I transferred to a girls' school.
THIS IS WORSE THAN A COED SCHOOL
However, this slowly turned into despair...
Sleeping on top of a desk

Hey, every one gets bad skin!
Your pores are filthy.
MRRGH
Whoa already!
YURI SMUT
